

Does Your Child Have a 504 Plan or IEP at School?

Those rights are currently in danger!

- *Texas vs. Beccera* is an active lawsuit trying to get rid of Section 504.
- 3 current bills and a drafted Executive Order plan to dismantle the Department of Education, which helps fund and enforce IDEA law, including the right to an IEP.
- The Dept. of Education's IDEA data collection contracts were cancelled suddenly by Musk's DOGE team on the night of 11 February. Without the data, states may not receive the IDEA grants that fund IEPs.

The good news? *There's still time to fight!*
